

Tuppers Top Ten

Reasons for running for city council

- #10) I have had time to talk to the constituents of ward 6 and I hear what they've said.**
- #9) I'm a lifelong resident in the neighborhood, and have no intentions of leaving.**
- #8) I will respond to every call or email I receive as your councilman.**
- #7) Our increasing number of seniors that helped make Minneapolis the great city it is, need us to step up and help out making it a great place for seniors to stay and live.**
- #6) I will be diligent, responsible and use common sense with your hard earned tax dollars, looking for ways to reduce property tax burdens, and increase incentives for small business.**
- #5) I will not threaten to take police and fire fighters off the streets until the Mayor and city council first agree to take a pay cut.**
- #4) I will fight to keep the Mpls Independent Boards just that, INDEPENDENT!**
- #3) I'm being asked to run by the constituents of Ward 6.**
- #2) I will fight to help keep more NRP (Neighbor Revitalization Program) funds in our neighborhoods, and out of the hands of the city council.**
- #1) I will listen to, hear and respond to the constituents of Ward 6**
